Subject: Offer Letter – Software Engineer at CrowdVolt

Hi Pulkit,

We're excited to offer you a position as a **Software Engineer** at **CrowdVolt**! We believe your skills and expertise will be a great addition to our team as we continue building the best marketplace for live event tickets.

Position Details:

- **Title:** Software Engineer
- **Start Date:** February 17th
- **Compensation:** ███████████████
- **Employment Type:** Full-Time

As part of our team, you'll be working on developing and optimizing our platform, improving user experience, and scaling our marketplace. We're excited for what we can build together!

Please confirm your acceptance by replying to this email. Let us know if you have any questions—we're happy to chat.

Looking forward to having you on board!

Best,
Aria Mohseni
COO, CrowdVolt
